**NEW NEW NEW**  
**Released October 2010**

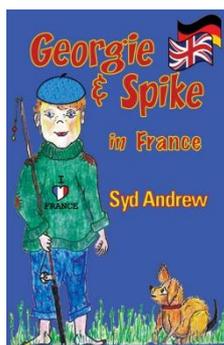

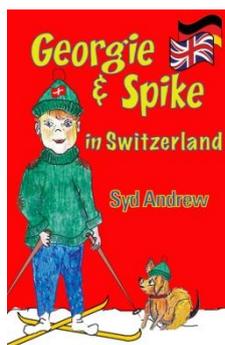

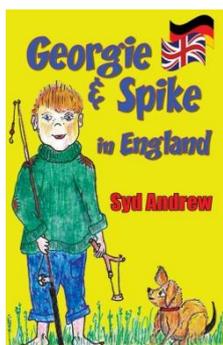

Illiterate and penny less on leaving school, Daft Eric learns how to communicate via the sketchpad. Exploiting this gift he takes himself and the reader through a tongue in cheek journey from a miserable existence in his home-town to fame and glory in Westminster.

The author has illustrated this book with over 40 original drawings.

The front cover has been created by the famous English painter Percy Hope.

## Trilogy Georgie & Spike

This bilingual English–German series has been especially created to enable children to read and enjoy a typical English story in both languages. It is printed in English and German on facing pages and fully illustrated by the author. For any parents interested in their child learning to enjoy reading the English and German languages in an appealing educationally approved format. Also suitable for language students of any age.

Georgie and his dog Spike are inseparable. They live in the gardener`s cottage on a large country estate in England. This sensitively written story tells how Georgie & Spike are befriended by the children of the Lord of the castle. We follow their escapades via this trilogy through England, Switzerland and France.

ISBN 978–1–907172–81–6

## A Seagull in St. Moritz

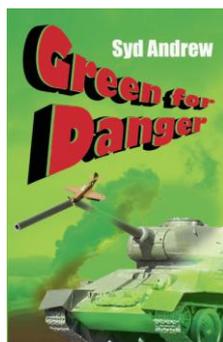

Hapless Will – retired teacher, widower and a Seagulls fan – takes you on a rollercoaster ride that is far removed from his normal, mundane life when he decides to deliver an intriguing set of vintage collectables to an interested buyer in St. Moritz.

“This is a light-hearted read that will leave you with a smile on your lips and, just perhaps, a longing for a similar adventure of your own.”

## Green for Danger

Four-year-old Freddy is a gifted child, already showing signs of becoming a budding scientist. A few years pass and, whilst exploring in a disused mine, Freddy accidentally discovers some unknown chemical symbols. These compounds, when mixed correctly, produce a violent reaction with potentially devastating results. With conspiracy, theft, black-mail and murder, GREEN FOR DANGER has all the ingredients to keep you gripped throughout.

## Paved with good Intentions

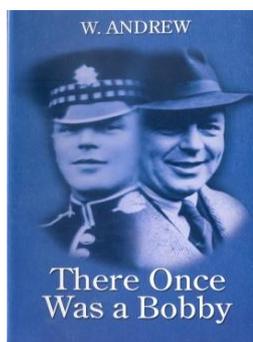

Life, love, games, real ales, fights, dirty cash, dirtier videos and imaginative ventures. This book tells the (almost) true tale of our times, describing how a hardworking band of pavers progress from *Pikies* to respectability in the Kentish community.

ISBN 978-0-9556806-0-1

Available via bookshops or <http://tjwmedia.com/store.html> [www.amazon.co.uk](http://www.amazon.co.uk)

## There Once Was a Bobby

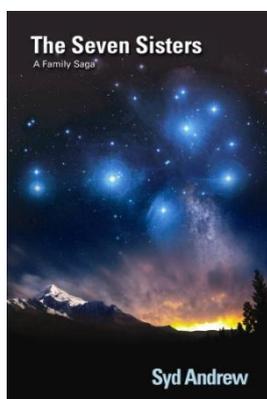

This book illustrates the character of a very conscientious police officer. He was not always politically correct – not always gentle with bullies or violent men, but was a loving father, a brave and widely respected local `Bobby` who, paradoxically, lived in fear of his diminutive wife.

ISBN 1-85776-901-5

## The Seven Sisters

A family saga based on the lives of seven Swiss Sisters chronicling their progress, always interesting, sometimes even dramatic, between the years of World War II to present date.

**A PROMISING VIVID STORY.**

In process.
